The Court having reviewed and considered the Joint Motion for Preliminary Approval of Proposed Class Action Settlement (“Joint Motion”) by Representative Plaintiff Lisa A. Ardino and Defendant Lyons, Doughty & Veldhuis, P.C. (all collectively, the “Parties”), and having reviewed and considered the terms and conditions of the proposed settlement (the “Settlement”)¹ as set forth in the Settlement Agreement and General Release, and the Court having determined that the Parties have complied with the Court’s July 16, 2013 Order Granting Preliminary Approval of Proposed Class Action Settlement, Approving Class Notice, Scheduling Final Approval Hearing, and Staying Litigation, and having reviewed any supplemental submissions of the Parties, and on the basis of such submissions and all prior proceedings had in this litigation, and good cause for this Order having been shown,

¹Capitalized terms used in this Order that are not otherwise defined herein have the meaning assigned to them in the Agreement and/or July 16, 2013 Order.

IT IS ORDERED AND ADJUDGED:

That the terms of the Agreement and July 16, 2013 Order Granting Preliminary Approval of Proposed Class Action Settlement (which are incorporated herein by reference) are hereby approved. The Settlement is sufficiently within the range of reasonableness to warrant final certification of the Settlement Class (as that term is defined in the Agreement) and consummation of the Settlement. The Court more specifically rules as follows:

The Representative Plaintiff and Class Counsel are adequate representatives of the Class and counsel for the Class, respectively;

The Settlement, on the terms and conditions provided for in the Agreement, are finally approved by the Court as fair, reasonable and adequate;

The Released Claims of the Class Members asserted in the Action should be dismissed on the merits and with prejudice as to Defendant;

The Court hereby permanently enjoins the assertion of any Claims that arise from or relate to the subject matter of the Lawsuit against Released Parties by the Class Members or any other Persons;

The application for attorneys' fees, costs and expenses submitted by Class Counsel in connection with the Final Approval Hearing is hereby approved;

The application for payment to Representative Plaintiff submitted in connection with the Final Approval Hearing is hereby approved; and

The Court hereby permanently enjoins the assertion of Claims by the Releasing Parties that arise from or relate to conduct by the Released Parties that occurred on or before the Effective Date of the Agreement.

DONE AND ORDERED after a hearing in open court at the United States District Courthouse in Camden, New Jersey, on September 20, 2013, and signed this 20th day of September, 2013.
